

# Sudden Oak Death

Sudden Oak Death (SOD) is a serious exotic disease threatening California's native oaks and tanoaks.

UC Berkeley and the California Native Plant Society are hosting informational meetings and free SOD testing. Get involved with the SOD Blitz survey and help track the spread of this disease in your community!

Attend a meeting in your local area to learn more and help with the SOD Blitz.

Download the new SODMAP Mobile app, available free for iPhone and Android

Scan this QR Code with your smart phone for more information

Your local meeting:  
Friday, March 6  
6:00 PM  
Weaverville Fire Hall  
125 Bremer Street  
Weaverville, CA
